

Celebrating 30 years

BOND
HOMECOMING

On 15 May, 1989, Bond University welcomed its very first students to campus. These 322 students, along with every Bond student since, have shaped the institution we know and love. Today, 30 years later, our diverse cohort of 26,000 graduates live in over 100 countries around the world. Join us at Homecoming 2019 to connect and celebrate with friends, both old and new.
